An Oral-B Christmas advertisement. The top features the Oral-B logo and the slogan "GIVE THE GIFT OF A HEALTHY SMILE THIS CHRISTMAS". Below this, there are two main sections: "ORAL-B PRO" on the left and "ORAL-B TRIZONE" on the right. The "ORAL-B PRO" section includes the text "INTRODUCING OUR NEW FAMILY OF POWER BRUSHES" and "...AND OUR MOST ADVANCED BRUSH HEAD EVER". It also mentions "100% massaging along the gumline". The "ORAL-B TRIZONE" section includes the text "Oral-B's TriZone has Triple Zone Cleaning action. You can brush as usual and get up to 100% more plaque removed". Both sections show several Oral-B electric toothbrushes with different brush heads and colors. In the center, there is a smartphone displaying a digital clock at 1:13 and a smiley face icon, with a small "Bluetooth" logo above it. The background is dark blue.

INFINITY

The advertisement features the Disney Infinity logo at the top with the tagline "PLAY WITHOUT LIMITS". Below the logo is a large image of the Disney Infinity 2.0 base station, which is a blue rectangular device with various ports and a screen displaying a scene from the game. To the left of the base station, there is a price tag showing "From only £59.99". A red circular badge on the left side of the base station says "Includes 2 single characters and 1 playset piece". Below the base station, there are two smaller images: one showing a playset with characters like Iron Man and Captain America, and another showing a playset with characters from Guardians of the Galaxy. At the bottom, there is a grid of nine Disney Infinity figures, each with its name below it: Rocket Raccoon, Iron Fist, Drax, Captain America, Hawkeye, and others. The background of the ad is a dark, futuristic cityscape.

Buy Now, Pay Later – Spend £99 and there are no payments for 6 months, although you can make payments if you wish. If you pay off the balance by the due date, you won't have any interest to pay. If you choose instead to take longer to pay, then deferred interest on the whole balance from the purchase date is added to your normal credit plan and you then have to make a minimum monthly payment as detailed in the terms and conditions. For details of this and your interest rate, please refer to either your T&Cs or your monthly statement. Representative 29.9% APR variable. Fixed Payment Plans – if you're spending £199 or more, you can fix your monthly payments over 24, 36 or 48 months with our Fixed Payment Plans. You pay a fixed amount each month at an interest rate of 29.9% fixed. Please note the APR relates to the Argos Card as a whole and is variable. The interest rate for the Fixed Payment Plans are fixed. Fixed Payment Plans at 29.9% fixed. Representative example – spend £600 on a 36 month fixed payment plan, make 36 payments of £12.16, total payable £437.76.
